**HOW TO USE THIS MAP**

Firstly, find where you wish to travel to and from. The index alongside this map will help you.

If the same number is shown in the index against both your destination and your starting point, then a through service is available. Many services operate at frequent intervals throughout the day, evening and on Sundays. For full timetable information, call Traveline or visit [travelinemidlands.com](http://travelinemidlands.com).

If no through service is available, then you will need to change buses. Find your starting point and destination on the route map. Trace back from your destination to your starting point along the bus routes, using the route numbers. This will show you the routes available to you, and where you will need to change buses. Remember, it may also be possible to interchange between bus and rail.
